Hello Puja,

I was hoping to speak to you, but I see you prefer to write on social media messages instead. If you would like to have a proper conversation, I am super happy to connect.

I wish you a happy International Women’s day too!

Regards,
Dario

Dear Puja,

TJ tried to reach you via email voicemail, but we haven't been able to connect. We wanted to discuss with your participation at our event. Unfortunately, keeping the interest of the audience in mind and the occasion, we've decided to go a different direction with the panel. We thank you for your interest to be on a MEF panel, and look forward to seeing you in the future.

Regards,

Dario
