**EMERGENCY PETITION FOR COMMISSION TO CONSIDER STAY OF EFFECTIVE  
DATE OF ONE-TO-ONE RULE IN LIGHT OF EXECUTIVE ORDER**

Responsible Enterprises Against Consumer Harassment, MBC (R.E.A.C.H.), and its members, respectfully submits this petition requesting the Commission take immediate action to stay the effective date of its new one-to-one rule based upon President Donald J. Trump’s executive order.

In support of this request R.E.A.C.H. states as follows:

1. On January 20, 2025 President Trump executed an executive order entitled Regulatory Freeze Pending Review;<sup>1</sup>
2. The executive order requires all federal executive agencies to “consider postponing for 60 days from the date of this memorandum the effective date for any rules that have

been published in the *Federal Registrar*...for the purpose of reviewing any questions of fact, law, and policy that the rules may raise.”

3. The executive order likewise requires all federal executive agencies to “consider opening a comment period to allow interested parties to provide comments about issues of fact, law, and policy raised by the rules postponed under this memorandum, and consider reevaluating pending petitions involving such rules.”
4. The FCC’s one-to-one consent ruling<sup>2</sup> was published in the Federal Registrar with an effective date of January 27, 2025—but has not yet taken effect. Consistent with President Trump’s executive order R.E.A.C.H. requests the Commission immediately stay the effective date of the one-to-one rule until March 18, 2025 and re-open a comment period to consider issues of fact, law, and policy raised by the rule.

Respectfully submitted,

R.E.A.C.H.
