DECLARATION OF LUCAS HORTON

I, Lucas Horton, declare:

1. I am over the age of 18. Unless context provides otherwise, the information contained in this declaration is based upon my personal knowledge and experience in dealing with mental health issues.
2. I have seen various kinds of doctors and been on medications off and since I was a child.
3. I have been treated for anxiety, mood stabilization, depression, among other things.
4. Exhibit A is a record from Tom Thumb of some of prescriptions.
5. I will go from 1 to 100 in terms of my temper extremely quickly when something sets me off and once I get to 100, it is very hard to calm down. Especially if whatever of bothering me won't stop.
6. Fitzgerald asking me the same questions over and over again concerning things that were not relevant such as my mortgage triggered me. Badly. I really needed an attorney to be there to keep me in check, but I was not able to find anyone who would represent me in this.
7. I apologize to the court for my behavior. I know it was wrong and would always not prefer to lose it as I did.

I declare under penalty of perjury under the laws of the State of Texas, Arizona and the United States of America that the foregoing is true and correct.

Executed on January 14, 2026, in Dallas, Texas.

A handwritten signature in black ink, appearing to read "Luc Horton". The signature is written in a cursive style with a horizontal line extending from the end of the name.
