Federal Communications Commission (F.C.C.)  
Public Notice

**CONSUMER AND GOVERNMENTAL AFFAIRS BUREAU DISMISSES ELEVEN  
PETITIONS FOR RECONSIDERATION OR APPLICATIONS FOR REVIEW**

CG Docket Nos. 02-278, 25-307

DA 26-465

Released: May 12, 2026

**\*1** To efficiently manage dockets, reduce backlog, and resolve dormant issues, the Commission announces through this Public Notice the dismissal of 11 petitions for reconsideration or applications for review.

On October 29, 2025, the Commission released a *Public Notice* providing petitioners notice of, and an opportunity to object to, the Commission's plan to dismiss with prejudice 13 pending petitions for reconsideration and applications for review.<sup>1</sup> Parties filed these petitions between 2012 and 2021, and they have gone without advocacy for several years.<sup>2</sup> Consistent with past practice, the Commission announced that it planned to dismiss these petitions with prejudice unless a petitioner or applicant filed a letter in the relevant docket or dockets specifying that it objects to the dismissal of its petition or application and the reasons for such objection.<sup>3</sup>

The Commission received no such objections to the dismissal of the 11 petitions identified in the chart below.<sup>4</sup> Accordingly, we believe that the relief sought in these petitions and applications is moot or outdated by advances in technology, changes in consumer preferences, or changes in regulations that have occurred since they were filed,<sup>5</sup> and we therefore dismiss them with prejudice.
